

# Water Tax Rate Remains Steady

Despite tremendously increased construction costs for new distribution works for Northern California water, the Metropolitan Water District will not increase its tax rate for the 1966-67 fiscal year.

The decision to keep the district tax rate at 14 cents per \$100 of assessed valuation was made at a special meeting of the MWD Board of Directors last week.

The district's construction program calls for the expenditure of more than \$60 million this year, a figure double that of last year.

TWO REASONS were cited for being able to avoid a tax boost — increased assessed valuations in the district service area and higher water rates placing more of the cost on water users, rather than the taxpayers.

While northern water will not arrive here until the early 1970s, the planning and construction of a vast new distribution system must go forward now so Southern California can use the water when it gets here.

To help finance construction of the more than 300 miles of huge tunnels and pipelines that will be needed to distribute the water, an \$850-million bond issue was approved by the voters at the June election by a margin of more than three to one.

THE MWD tax levy has been steadily reduced over the past 21 years, decreasing from a high of 50 cents per \$100 in 1945-46 to the present rate of 14 cents.

The district extends into the six counties of Los Angeles, Orange, Riverside, San Bernardino, San Diego and Ventura. It now distributes Colorado River water within its 4,500-square-mile area and will be the major distributor of northern water in Southern California.

# Knight Continues Challenge of Dills' Legal Residency Status

Asserting that his opponent for the 32nd Senatorial District seat in the Nov. 8 election is running for office in the wrong district and cannot be seated if elected, V. Lane Knight, Torrance attorney and GOP candidate for the post, said today he intends to fully inform voters of the situation confronting them.

Knight, a three-year resident of San Pedro and a long-time lawyer in the area, said a requirement for the office is that a State Senator must have been a resident of the district he wishes to serve for one full year preceding election day.

"AS A JUDGE of the Municipal Court," Knight said, "my opponent should be aware of the law as it pertains to the requirements for election to this office. It appears, however, that he either is not acquainted with this requirement or chooses to ignore it."

"On Dec. 30, 1965, in an affidavit of registration, my opponent swore that his address was 502 So. Sloan Ave., Compton, and that his previous address was 1209 N. Van Ness, Compton."

"NEITHER THE Sloan Avenue address nor the Van Ness Avenue address is in the 32nd Senatorial District. Both are in the 33rd District."

"On Feb. 14, 1966, my opponent swore that his address was at 423 W. Alondra Blvd., Gardena, where allegedly he continues to reside. This is in the 32nd District. At the same time, he swore that his former address was 502 So. Sloan Ave., which is not in the 32nd District."

# Supervisors Authorize Bond Sale

A call for bids for \$710,000 in Torrance school bonds has been made by the Board of County Supervisors, Chairman Burton W. Chace said today.

## BACK-TO-SCHOOL SHOPPING GUIDE AT SAV-ON

**LOOSE LEAF Filler Paper**  
by STUART HALL "Big Value" Choice of wide or narrow rule. 300 Sheet Paks. Reg. 79c **59c**

**3-Ring Note Book**

# College To Offer Italian

Two sections of elementary Italian will be introduced into the foreign language program at El Camino College this fall, according to Dr. H. Lee Swanson, dean of the Division of Communications.

Dr. Jeannette Campiglia and Mrs. Florence Merzjak, both of whom have been affiliated with the foreign language department at El Camino for more than 10 years, will each teach one section of first semester Italian.

The course in Italian will assist students in acquiring a basic knowledge of vocabulary, grammar, reading, writing, and speaking.

"IF FALL enrollment justifies the continuation of the course, Italian II will be offered in the spring semester," Dr. Swanson said.

The addition of Italian to the curriculum increases the number of modern languages offered by the college to five.

PART-TIME students may register for fall classes tomorrow through Friday. A reservation permit to register must be secured in advance in the admissions office of the college. Late registration will be held Sept. 12.

Additional information regarding registration procedures and times of registration periods may be obtained from the admissions office at the college.

Classes for the fall semester at El Camino begin Sept. 12.

MUSEUM OPEN  
The Capitol City's Junior Museum will be open to California State Fairgoers Aug. 31 to Sept. 11. Housing an interesting variety of animal species in the exhibit hall and in the live animal hall, the museum charges 25 cents per person.
